Dear Parents & Students,

Prayer

Jesus, as I contemplate your face, let me experience your great love for me. Reveal your saving grace and give me a grateful heart. Heal me of my weaknesses and sin and fill me with compassion for others. Gift me with the wisdom of the Spirit and encourage me to be a faithful witness to the Gospel. Amen.

(Armidale Diocesan Prayer for the Year of Grace)

Reflection: What is Grace?

Grace is the free and undeserved gift that God gives us to respond to our vocation to become adopted children. (Catechism of the Catholic Church N. 1996-2005)

Grace is God's practical concern for us in the uncertainties of our lives. (Fr Pat Richards)

Grace, which is God donating and communicating God's own self to us, comes through the powerful acts of those around us, the acts of love, selflessness, forgiveness and affection. This grace of which Jesus was full, this grace is the life of God. (Bill Huebsch *Grace God's Greatest Gift* 23rd Publ. USA p.43)

Grace is a real gift or favour from God that is a blessing, freely given as a benefit and received as a joy, prompting gratitude and thanksgiving. (Bishop Peter Comensoli *Amazing Year of Grace!* Inform No 136 CAEC Sydney 2012)

PRINCIPAL MATTERS

Student Achievement

This week's assembly highlighted an extraordinary number of individual and group/team student achievements. Many of these are discussed elsewhere in the newsletter and are very worthy of note. The breadth and extent of the talent, dedication and spirit of our students is a constant joy.

Walkathon

The Walkathon total update now stands at \$17,700. This is, again, an outstanding contribution to Catholic Mission from our school community. It is not well known that McCarthy is the biggest fundraising school for the Mission in the world. We are the only school in the world to be given our own project (three now) and McCarthy raises more money for Catholic Mission each year than all the schools in the Sydney Archdiocese combined. This fact brought significant recognition and praise to our school at the state Directors of Catholic Schools meeting held in Sydney last year.

SLC

Congratulations to the following Year 11 students who have been elected as Year 12 Student Leadership Council representatives for 2012 Term 4 and 2013.

Ted Alderton, Anna Camilleri, Mikala Dimmock, James Dunn, Lara Northey, Georgia Rae, Sarah Simmonds, Leo Steyn, Jerome Studdy and Harry Vella.

Year 12

Next Monday our Year 12 students will participate in their final voluntary Twilight Retreat and join parents and staff in a thanksgiving Farewell Mass on Wednesday evening at St Nicholas' Church. The school will hold the Formal Farewell Assembly for the students on Thursday 20 September.

News from the Parishes

Mr Paul Manvell will be ordained to the permanent Diaconate this Saturday morning at 11:00am at Mary Help of Christians Church, South Tamworth. Mr Tuan Tran will receive Candidacy for Clerical State on Sunday at 9:30am Mass at St Nicholas', Tamworth. The school community joins the parishes in praying for both men at this significant time.

A small number of McCarthy students will participate in the Confirmation retreat with candidates from St Nicholas' this Friday.

Staff

Congratulations to Mr Luke Adams and Sarah on the safe arrival of baby Noah. Mr Andrew Davy will be replacing Luke as Year 11 Coordinator whilst he is on leave.

RELIGIOUS EDUCATION

Annual REC Conference

We recently attended the annual REC Conference in Moree. It was a good opportunity to meet with other RECs from throughout the diocese and to reflect on various aspects of our roles within our schools. The highlight of the conference was the opportunity to meet with Bishop Kennedy. He celebrated a beautiful Mass for us and engaged in general discussion informally and also formally on the topic of The New Evangelisation. This will be a primary focus in the coming year.

Vinnies Camp

We have received great feedback on the involvement of our students in the Youth Camp which was held recently at Lake Keepit. All who attended contributed positively to the camp, interacted well with other students and staff and generally represented their school extremely well. We are very grateful to Mr Bernie Williams for accompanying our students.

Assessments and Exams

Most students across all year groups will be involved in assessments tasks or examinations before the end of the term. We encourage all students to put their best efforts into the preparation for these tasks. Year 11 will sit for their Yearly Examination for Studies of Religion in Week 10. We remind Year 11 of the importance of undertaking a solid program of revision, of the whole course, in the time leading up to this examination.

Mrs Carol Wheaton and Mrs Cate Allen – Religious Education Coordinators

PASTORAL CARE

UAC Educational Access Schemes 2012

EAS information and forms are available at www.uac.edu.au or from Mrs McGregor for Year 12 students who have had a disadvantage in their preparation for the Higher School Certificate. Applications with supporting documentation must be returned to Mrs McGregor by Wednesday 12 September.

Theme for the Week

Laughter is a wonderful thing to share. It reduces stress, makes us feel better and brings us together. In Week 6 we talked about these benefits and shared some jokes. It is necessary for adolescents to understand that there are jokes suitable for different situations, that racist and sexist jokes are unacceptable, and that it is a good idea to remember some jokes that are suitable in any company. It is also vital to appreciate the difference between laughing with and laughing at someone. Congratulations in particular to EDK, EDF, DAJ, DJV, DSB, DJB, MJW, MTG, MPC and MVF for their fun contributions.

In Week 8 it was time to find our moral compass, discover our fortes, tame our inboxes, be flexible and savour the seasons.

“Be happy with what you have, and you will have plenty to be happy about.” – Irish Proverb

Mrs Julie McGregor – Pastoral Care Coordinator

Year 11 Students to Visit Sydney Uni in the Holidays

A group of five Year 11 students will be attending lectures and tours of the university campus to help them with career and course choices for life after the HSC.

Year 12

Students who intend applying university need to do so soon to avoid the last minute rush as on-time applications are due by September 28. Early entry applications and scholarship applications had to be submitted to the Careers Room last week and these are currently being processed by a panel of staff. Students need to have resumes ready, be organising work experience if looking for apprenticeships and keeping note of deadlines and information not to be missed.

Students and parents are strongly advised to see if they are eligible for Equity Scholarships for students from lower-income backgrounds at: <http://www.uac.edu.au/equity/>

UAC comes to Tamworth

Luckily for us, Tamworth was one of the regional centres where UAC gave presentations last week for students, parents and staff. This is the first time UAC has done this and they spoke about the ATAR, bonus points and scaling.

PROPERTY PLANNING COMPETITION

Congratulations to Alex Lane who was announced the Runner Up in the 2012 Property Planning Competition. Alex was awarded a trophy for his efforts at an awards ceremony held at AgQuip. This competition saw him visit a property, then complete a plan to make it both more sustainable and economically viable. There were over 400 competitors and Alex deserves huge congratulations for his success. In the words of Anne Ferguson, the Media and Public Relations Officer for the Namoi CMA, "McCarthy must be congratulated for being so prominent as a finalist or Grand Champion on every occasion they have entered the competition. Well done to all involved."
