Dear Parents & Students,

Prayer

The National Year of Grace Prayer

Gracious God,

You have blessed this ancient land
with many gifts, especially its people.

We thank you for the Year of Grace,
a time to start afresh from Christ.

You invite us to contemplate the face of Jesus your Son,
that we may experience a new wave of grace,
and that the light of Christ may burn more brightly in our lives.

Attune our hearts and minds

to the presence of your Holy Spirit,

that our Church may be transformed,

our relationships be healed,

and our nation grow in compassion and justice.

With the intercession of St Mary MacKillop,

who showed us new ways of living the Gospel,

we make our prayer

through Christ our Lord. Amen.

PRINCIPAL MATTERS

Clergy Movement

Bishop Kennedy recently announced the transfer of Fr John McHugh from St Edward's parish in South Tamworth to Gunnedah and Fr Richard Gleeson from St Nicholas parish in Tamworth to Armidale. Fr Gleeson has had a profound influence on McCarthy, especially throughout the amalgamation and development of the College, and continues to be actively involved and quietly influential. Both priests will be greatly missed by the McCarthy community.

Demountable Classrooms

On the weekend the school took delivery of three demountable classrooms. The buildings were able to be accessed free of charge from Sydney Diocese, with delivery and installation costs being covered by the school. They will now be freshened up and prepared for use from the beginning of next year.

Remembrance Day

Last Sunday was Remembrance Day. Each year, a young Tamworth citizen is invited to address the community at the ceremony held in the Town Hall. This year our school was approached to select a student to be the 2012 speaker. James Dunn (Year 11) was chosen and spoke exceptionally well and with great respect. He was able to colour his speech with anecdotal experience gained during the McCarthy European Tour earlier this year.

Yearly Examinations

The Yearly Examinations are now complete. Work will continue in all classes as the final topics are addressed before the year ends. Please ensure students continue to bring their equipment and planner to school each day.

Graduation

On Monday night staff joined Year 12 students and their families in a formal celebration to mark the completion of their Higher School Certificate and at least thirteen years of education. Many will continue their educational journey in various institutions around Australia and others will join the workforce. Special guests included Fr Tom Shanahan; the Diocesan Director of Catholic Schools, Mr John Mula and his wife Julie; and Mrs Patricia Thornberry, Chair of the McCarthy Board. It was a terrific evening, filled with pride in the achievements of the class of 2012.

Mrs Kate Rayment – Principal

RELIGIOUS EDUCATION

Vinnies

The leaders of the St Agnes Conference of St Vincent de Paul, at McCarthy, for 2013 have been elected.

President: Sophie McNamara

Vice President: Harry Vella

Secretary: Hannah Woods

We congratulate these young people and look forward to their leadership of Vinnies over the next year.

All Saints Mass

Masses on All Saints Day were celebrated at the four Catholic churches in Tamworth. We are grateful to the priests involved for making it possible for all our students to attend Mass on this day.

Movies in Classroom

In Religious Education sometimes the course content relates very well to the subject matter contained in a movie. In this case teachers may select to watch a film as part of the module being studied. If this is so, we have asked our staff to structure the film around discussion and questions as a way of using the film. Often teachers will choose only to show part of a film. If your child reports that they are watching a film in RE please be assured that it is only one way the content is being covered and NEVER as entertainment.

Mrs Carol Wheaton and Mrs Cate Allen – Religious Education Coordinators

PASTORAL CARE**Welcome**

We extend a warm welcome to Caitlin Sebbens (Year 11) and her family as they join the McCarthy community.

Condolences

Our thoughts and prayers are with Mr Ian McKenzie and his family following the death of his mother Daphne.

Summer Health Issues

As you can imagine in a school with so many adolescents, body odour can become a problem. Please encourage your child to bathe daily and to wash tunics and shirts daily. Please note that aerosol deodorant cans are NOT ALLOWED at school due to the health risks their use poses to people with asthma.

Students are encouraged to wear blockout and hats.

Please ensure your child has a clear water bottle for use at school.

Lice

There have been a number of head lice infections reported in different years across the school. Please check your child's hair for nits/lice. If you find any eggs or lice please commence treatment. Methods recommended for detection and treatment are published by NSW Health. (<http://www.health.nsw.gov.au/publichealth/environment/headlice/treatment.asp>)

Students should not share hats and any long hair should be tied back.

Year 7 Vaccinations

Catch up day will be on Wednesday 21 November.

Theme for the Week

In Week 6 some words of advice from Bill Gates were offered to students. They included encouragement to accept responsibility for mistakes, to accept that in life there are winners and losers, to realise that television does not represent reality and in particular to be nice to nerds because chances are they will end up working for one.

Next week students will be reminded of the meaning of responsibility and its place in our Code of Conduct - *Care, Courtesy, Respect, Responsibility*. It is important to remember although we may not be responsible for things that happen to us, we are responsible for our reactions.

True freedom is not doing what we want to do, but doing what we ought to do. Pope John Paul II

Mrs Julie McGregor – Pastoral Care Coordinator

**LIBRARY NEWS**

To commemorate Remembrance Day, a display of books covering wars from World War I to the Vietnam War and more recent events was set up in the library. There were non-fiction books as well as stories and books written by those who experience war first hand. The display generated a lot of interest, especially at lunchtimes in the library. The display was put together by Mrs Nolan and included books on Nancy Wake, Gallipoli, Beneath Hill 60 and many more.

CAREERS NEWS**Jobs for school leavers**

CONCERT AND JAZZ BANDS

On Saturday 10 November the McCarthy Concert and Jazz Bands performed at the St Nicholas Spring Fair. It was a lovely afternoon and both groups performed well and received favourable comments from the audience. It was a little windy, however the sound carried all the way down Carthage St. Congratulations to both groups for a job well done.

INSIGHTS

Giving adolescents freedom and minimising risk

Young people typically want more independence. But giving young people more rope can be downright tricky for parents these days. Here are some ideas to help.....

Adolescents usually want more freedom than parents are prepared to give.

Most teenagers think they are three years older than they really are, and many parents think their teenage children are three years younger than they really are. Getting the 'freedom' balance right is obviously quite tricky, though it often comes with experience.

You are probably familiar with the fact that the teenage brain is very much a work-in-progress. Parents of teenage children should carry a little card with the words **"Teenager: Brain under Construction"** printed on it to remind them that young people are poor assessors of risk.

Adolescents often act first, and think later. This means parents need to be very hands-on with their parenting in this potentially tricky stage.

It's important that parents put processes in place that will help reduce risk and keep their young people in this age group safe. These include: expecting teenagers to maintain contact with you; setting time limits for being out; and rewarding responsible behaviour with greater freedom. There are three things parents need to know when their young people go out:

1. **Where are you going?**
2. **Who are you going with?**
3. **When will you be home?**

From my experience most parents ask the first two questions, but often forget to ask the third question – *When will you be home?* Get into the habit of asking this question each time your adolescent steps outside the front door to go out with their peers.

[Link greater freedom to responsible behaviour](#)

Young people often use their peers as leverage when they want more freedom. *"Everyone else in my class is allowed to go to..."* This type of comment is hard for a parent to resist.

But it's better to link greater freedom with responsible behaviour rather than going along with what the crowd is doing.

When adolescents show they can act safely within limits (*of place,*

time and people) then push those limits out (*stay out later, go further afield, go with a wider crowd*) accordingly.

It takes some parenting steel to act in this way – that's why parents generally need to support each other when raising teenagers.

Here are five simple parenting ideas to build independence in your young person:

1. Never do for a teenager the things they can do for **themselves**
2. **Monitor** kids' movements without being too restrictive
3. Reduce risks for teenagers through **skilling up & scaffolding**
4. Build **expectations** around remaining in contact and home times
5. **Reward** responsible behaviour with greater freedom
